Re: OSI Case 16-07353X Reconsideration

Dear Mr. Portelos:

I have reviewed the document you submitted to Ms. Nowak entitled "OSI Case 16-07353X Reconsideration." Please be advised that there is no process for reconsideration of OSI final reports. Nonetheless, I have reviewed the report and find that it is consistent with the Family Educational Rights and Privacy Act (FERPA).

Sincerely,

A handwritten signature in cursive script, appearing to read "J. Vargo".

Jaclyn Vargo
