Dear Jose,

Shai and I enjoyed our meeting last Wednesday and we are delighted that you agreed to move all art items of Jombihis Corporation to Mana Contemporary at Le Freeport Luxembourg.

We agreed that this will occur according to the following principles we discussed and agreed upon in our meeting:

- Jombihis Corporation will receive free storage of all art items from Mana Contemporary
- Jombihis Corporation will receive Mana Contemporary's logistics services at direct cost to the respective vendor (bills will always be presented).
- All of Jombihis Corporation's clients will receive Mana Contemporary's services at list price.
- Jombihis Corporation will bind all its clients to use Mana Contemporary's logistics services.

We welcome any comments you may have and I will call you to coordinate your visit to Mana Contemporary in the next few days.

Thank you very much.

With kind regards,

Gene Lemay
President
