Sorry, I'm just getting to this! I've been working 7 days a week just to make ends meet these days. It's been pretty crazy. I do side work at home and then I go to two different offices!! Any whoo....I can't get into the KS page? I'd like to pull the updated reports in case someone changed their addy. :- / I have those master lists, but I'm afraid the poster people probably aren't updated. I like to wait until everything is ready to roll - as you've seen people like to move a lot. Hahaha
