Dear Sirs

Sky Solar Holdings, Ltd v Hudson Solar Cayman, LP

We are the Cayman Islands attorneys for Hudson Solar Cayman, LP. We refer to your letter dated 26 February 2019 to our client. Our client rejects your client's contention that the debt demanded by our client is the subject of a good faith dispute on substantial grounds in relation to alleged waiver and in relation to our client's alleged motives for its actions. Our client confirms, however, that its Cayman Islands statutory demand is withdrawn and will not be relied upon to support a winding-up petition against your client. The withdrawal of the statutory demand is without prejudice to all our client's rights, including its right to serve a further demand should it be necessary or appropriate to do so in the future.

Yours faithfully

Maples and Calder
