Dear Sirs

Re: Notice under the A&R NPA dated December 26, 2018

We refer to your letter dated December 26, 2018 (the “**December Letter**”) relating to the Amended and Restated Note Purchase Agreement dated July 15, 2016 (as amended and restated from time to time) (the “**A&R NPA**”) between Energy Capital Investment S.à.r.l., Lumens Holdings I, LLC and Hudson Solar Cayman, LP as administrative agent (the “**Administrative Agent**”) and as initial note purchaser. Capitalized terms used but not defined in this Letter shall have the same meanings assigned to them in the A&R NPA.

We have considered the December Letter and we are writing to assure you that this is currently being handled as a matter of priority. We assure you that it is our intention to work with you diligently to ensure compliance with the terms of the A&R NPA in the most expedient manner. To achieve that, we would like to enter into discussions with you to reach an agreement on the Additional Project(s) for the purpose of replacing the security discussed in Section 3.5(j) of the A&R NPA. We aim to provide more details regarding the Additional Project(s) no later than January 31, 2019, we therefore respectfully request the Administrative Agent not to exercise any potential remedies under the A&R NPA in the meantime so that we have time to work on the details of the proposals for Additional Projects.

We value our longstanding relationship with you and we look forward to any future collaborations together. We will review opportunities proposed to us, including the proposed acquisition stated in your letter to us dated December 24, 2018, and are open to discussing future projects together.

We are available at your request to discuss the contents of this Letter. We reserve all rights with respect to the foregoing, including all rights under the A&R NPA and any other documents related thereto and on any other basis with respect to the December Letter, the A&R NPA, any documents related thereto and the parties’ conduct under the A&R NPA.

Yours faithfully

Energy Capital Investment S.à.r.l.
