hi mr. wagner -

thank you so much for reaching out. we first of all want to thank you for your considerable contributions to the game. i can now tell every gamer i know i spoke with the inventor of the thief class...ha ha. we are in fact still accepting backers, and we do need help getting the word out to everyone. we can only imagine your reach in the gaming community. either help would be an incredible thing and would be much appreciated.

please let me know if there's anything you need from us to spread the word (flyers, pictures, press release, etc.)

thank you so much again and a real pleasure to meet you.
