Dear Jonathan:

Attached in a zip file please find a courtesy copy of a Summons and Complaint, as well as an Order to Show Cause (“OSC”) and papers in support of a Temporary Restraining Order (“TRO”) and Preliminary Injunction against Judith Grunbaum, Samuel Grunbaum, Moshe Deutsch, and YHT Management Inc. We plan to file the Summons, Complaint and OSC in the morning, and seek the **TRO at 3:00pm in the afternoon of September 30, 2020.**

Please confirm that you will accept service of the OSC and the underlying Summons and Complaint for all defendants.

My co-counsels from Freshfields Bruckhaus Deringer US LLP are cc’d. Please "reply all" on email communications.

Sincerely,
--
